A CLOSER LOOK

As The IIA's premier designation, the CIA sets the standard for excellence within the profession. Candidates who qualify to sit for the multi-part exam have access to more than 500 computer-based testing sites worldwide and can take the exam in 20 languages.

If you are in audit management, aspire to management, or are looking to grow professionally, you owe it to yourself and your organization to pursue the CIA. Earning the CIA demonstrates your commitment to professionalism and your career. Preparing for the exam is an educational opportunity in and of itself. Passing it will increase your confidence, serve as an example for current or future staff, and build credibility with internal audit clients.

THE AIBF

The Afghanistan Institute of Banking and Finance (AIBF) was formally established in November, 2010. The Institute is owned by Da Afghanistan Bank (DAB), the Afghanistan Banks Association (ABA) and the Microfinance Investment Support Facility for Afghanistan (MISFA). Under AIBF's charter, it is dedicated to strengthening the financial sector in Afghanistan and establishing a Centre for excellence for banking and finance.

TARGET AUDIENCE

- ◆ Audit committee members
- ◆ Internal Audit Managers
- ◆ Internal Audit Directors
- ◆ Dy. CIA
- ◆ Internal Audit Department Staff of the bank
- ◆ Finance Department Staff

TRAINER PROFILE

Mr. Habiburrahman Rahmani currently working as internal audit director of Afghanistan Independent Land Authority (ARAZI), has over 9 years of continuous professional experience in the fields of internal auditing, financial management and teaching in various public & private sector organizations. He is a member of Institute of Internal Auditors (IIA) – USA, has obtained Internal Audit Practitioner (IAP) designation from (IIA) and holds Master of Business Administration (MBA) from Bakhtar University and Bachelor of Commerce (B.Com) from Osmania University of India.

Mr. Rahmani specializes in Internal Auditing, Financial Management, IAS, IFRS, IPPF, ISPPIA and CIA exams preparatory courses. He has provided several professional trainings on topics related to Internal Auditing, Risk Based Auditing, Enterprise Risk Management (ERM) frameworks, governance and internal controls and has rich experience in developing and standardization of internal audit functions in the public and private sector entities.

TRAINING OUTLINE

The multi-part exam covers the full breadth of internal audit competencies to reflect a practitioner who is prepared to meet stakeholder demands. Some key areas covered include:

- ◆ Aspects of The IIA's International Professional Practices Framework
- ◆ Internal control and risk
- ◆ Managing the internal audit function
- ◆ Fraud risk and controls
Governance and risk management
- ◆ Leadership and communication
- ◆ Financial management
- ◆ The global business environment
